# CPM **Bad Ax™** Hammer

## Advantages

- **35% more** wear surface than a standard hammer
- **30% more** wear surface at rod hole

## Built for demanding grinding conditions

The Bad Ax™ hammer is engineered specifically for tub grinders. Featuring an aggressive surface, it effortlessly grinds even the dirtiest, frozen bales into a fine, consistent material. With a durable body, reinforced hard facing, a powerful striking surface, the Bad Ax is built to perform and made to last.

From the food you and your animals eat to the fuels you require, CPM plays an important role in building a better world. Our experienced team and family of trusted brands are working together to make our planet a better place to live.
